I just looked up the google for what Goody two shoes means: an ostentatiously virtuous or well-behaved person but how can I support you. I have spent two spells (2004 and 2008) sectioned in

mental hospitals and have been in 2021-2023 arrested by the Police on 6 occasions. Are you sure you wish to be in contact with a person with that kind of record?

I have not lost my sense of humour you can tell, but in addition to that record, I have joined the Conservative and Unionist Party twice, the Labour Party twice, the Liberal Democrats twice, and the United Kingdom Independence Party once. I was dismissed from a scientific job that I held for 18 years on a disciplinary charge, and not just that lost a number of other jobs that were menial really for similarly not being able to acclimatise to these work place.

Dear Stripe

I have just concluded a conversation with my psychotherapist Jill Jesson of Vitali Chi that I have summarised here for your kind consideration in terms of altering the functionality of our Account to purely serving a religious agenda:

At 7.40 pm, I texted Jill Jesson again: 'My priority is not to get arrested again, so today I asked Kent Police if I can proceed with the development of the website.'

At 7.41 pm, Jill texted back: 'Oh that's good.'

I texted back: 'Well Jill I came to understand that I cannot fight the Monarch: he listens to nobody.'

Jill texted: 'Correct.'

At 8.17 pm, I texted Jill Jesson: 'Thank you for confirming Jill.'

In the circumstances realised at long last, the only reason that I will keep my Membership Website at JOIN IT running is that it is my religion to do so in that I practice my religion of Vishista Advaita through it and wish to form my Sampradaya for like minded people. All the paraphernalia associated goes with karma in santan dharma and I cannot abandon my personal path of truth, justice and democracy. So all my other 26 websites will be maintained though the rest of my life if I can afford to run them without much in the way of financial resources. I will step back from politics in the United Kingdom in any active manner, so that I do not risk violating the Monarch's law of the nation. I will promote it as a religious website from now onwards.

Proposal:

TCLP-UK will not participate in any political activities in the United Kingdom or elsewhere for that matter, but will only secure membership at our Join IT website for religious purposes.

Would Stripe be willing to consider reviewing its banking support to our organisation on this basis.

Yours sincerely

Dear Stripe

If I am not mistaken, Stripe has confirmed that the Monarch's law of the nation supersedes the Judiciary of the Courts (Civil and Criminal) in the United Kingdom, and accordingly, Stripe is acting on behalf of the Monarch in providing me with this assessment of my latest proposal.

I can confirm that donations received through the link will go into the PayPal Account for The Conservative Libertarian Publications Limited.

As to other offers that members will receive are the 250 eBooks free of charge, published in <https://theallurementofrealityinreview.com/shop>.

This way the website will be a purely information and discussions of the scope of Vishista Advaita Sampradaya as it relates to TCLS, and we will not enter into politics of the United Kingdom, if that is what the Monarch wishes now.

Yours sincerely

Dear Stripe

If I am not mistaken, Stripe has confirmed that the Monarch's law of the nation supercedes the Judiciary of the Courts (Civil and Criminal) in the United Kingdom, and accordingly, Stripe is acting on behalf of the Monarch in providing me with this assessment of my latest proposal.

I can confirm that donations received through the link will go into the PayPal Account for The Conservative Libertarian Publications Limited.

As to other offers that members will receive at the 250 eBooks free of charge, published in <https://theallurementofrealityinreview.com/shop>

This way the website will be a purely information and discussions of the scope of Vishista Advaita Sampradaya as it relates to TCLS, and we will not enter into politics of the United Kingdom, if that is what the Monarch wishes now.

Yours sincerely

Subject: Your recent question for Stripe about Disputes

Dear Stripe

I have just concluded a conversation with my psychotherapist Jill Jesson of Vitali Chi that I have summarised here for your kind consideration in terms of altering the functionality of our Account to purely serving a religious agenda:

At 7.40 pm, I texted Jill Jesson again: 'My priority is not to get arrested again, so today I asked Kent Police if I can proceed with the development of the website.'

At 7.41 pm, Jill texted back: 'Oh that's good.'

I texted back: 'Well Jill I came to understand that I cannot fight the Monarch: he listens to nobody.'

Jill texted: 'Correct.'

At 8.17 pm, I texted Jill Jesson: 'Thank you for confirming Jill.'

Comments:

In the circumstances realised at long last, the only reason that I will keep my Membership Website at JOIN IT running is that it is my religion to do so in that I practice my religion of Vishista Advaita through it and wish to form my Sampradaya for like minded people. All the paraphernalia associated goes with karma in santan dharma and I cannot abandon my personal path of truth, justice and democracy. So all my other 26 websites will be maintained though the rest of my life if I can afford to run them without much in the way of financial resources. I will

step back from politics in the United Kingdom in any active manner, so that I do not risk violating the Monarch's law of the nation. I will promote it as a religious website from now onwards.

Proposal:

TCLP-UK will not participate in any political activities in the United Kingdom or elsewhere for that matter, but will only secure membership at our Join IT website for religious purposes.

Would Stripe be willing to consider reviewing its banking support to our organisation on this basis.

Yours sincerely

Posted to see if I can draw a line under this saga in Daily Bulletin Forum:

Running Commentary on the Legal proceedings of Dr Shantanu Panigrahi

in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/running-commentary-on-the-legal-proceedings-of-dr-shantanu-panigrahi>

Jill Jesson did not reply to my last text on WhatsApp so she is not accepting that she was taking instructions from the Monarch in writing to me that she would wait to hear from me about my next appointment with her for psychotherapy.

Similarly, Stripe has not accepted that it was acting on behalf of the Monarch and his law of the nation that supersedes the Judiciary in Civil and Criminal Courts; instead copying its email to Medway County Court and the Central London County Court for whatever purpose it was supposed to be serving in the attached communication:

FrStripeccMedCtyCrtCenLonCtyCrt(Proposal Examination)25Sep2024.docx (as above pages 19-22 of this book)
 DOWNLOAD docx 17KB

Nothing came from the Courts of the United Kingdom whether Civil or Criminal so this matter is not over yet.

An email had come from Format Feed Formulation Software Company, that I deleted out of sight as not serving any purpose and similarly a circular came from British Gas that I also deleted out of sight.

Seeing that none of the last four greetings on LinkedIn got a reply, I stopped sending out further greetings and simply recorded the fact that those invitations got accepted. I have nothing left to gain from initiating conversations with anyone in LinkedIn or elsewhere: I will only reply if someone contacts me with a question or query or makes some other kind of remark about me.

So long as Stripe does not make a final decision on the Proposal made, I have to assume that all my work is done.

What are the benefits of completing a dissertation?

in General Discussion

<https://www.theconservativelibertariansociety.com/forum/general-discussion/what-are-the-benefits-of-completing-a-dissertation>

Writing a dissertation is an integral part of many research-centered Master's programs or doctoral-level courses. In order to gain a Ph.D., students must submit a successful dissertation as their culminating project to the university within the given time frame and may require help in doing so. It is very important for students to read the dissertation Help and regulations handed out by the professor and college before beginning to write it.

If you are in need of help with regards to completing your dissertation, it is essential for you to take into consideration that submitting the same on time is an absolute must. Late submissions may lead to disqualification from degree conferral; thus, our dissertation help services are available to assist you in this regard.

For students looking to make a lasting impression on their college academic advisor and stand out from their peers, our dissertation writing services provide the expertise necessary to help them succeed. Our team of highly qualified Professors and Experienced Researchers are committed to guiding you through the entire process and ensuring that your thesis is of the highest quality and meets all requirements. Hello

We are a quasi-political group of individuals of which I am the Founder and Leader who has examined the Constitution of the United Kingdom in the finest detail and found it to be governed by a Constitutional Monarchy that is tyrannical and dictatorial. We wish to implement a transition phase known to be Cultural Republicanism through the identified political structures democratically only for which the details can be read here:

I am a confirmed Republican and campaign for United Kingdom to have this form of Cultural Republicanism; if you agree with the changes that we need as citizens of the nation who wish for truth, justice and democracy as the ethos and principles that we should abide by it is recommended that Members who know me as Friends and Connections as well as those posting and visiting the websites of The Conservative Libertarian Society (TCLS) also become its official members by following the directions below:

Was this a fair and just settlement of the dispute between Dr Shantanu Panigrahi and the Constitutional Monarchy of the United Kingdom?

So the Constitutional Monarchy of the United Kingdom is happy that it maintains the system of an unwritten Constitution that enables it to do whatever it wishes to society in terms of the goods and services that it generates for the population; and since these were unacceptable to the Conservative Libertarian, I have found that the only truth-accommodational response was

to create a democratic framework for the development of the nation towards a Cultural Republicanism. I did not sacrifice my principles and was proven to have exposed the unwritten Constitution with its shortcomings as for as an ideal society should be willing to expect from the government of the United Kingdom.

I will plod along, for since all my litigations and private prosecutions of Kent Police and the Prime Minister of the United Kingdom were blocked by the Constitutional Monarchy, I have a purpose to my existence going forward.

This is justice, for the reason also that I have not received a statement from Dr Oranusi the Consultant Psychiatrist that I am so mentally disordered as of 12 September 2024 that warrants frequent support from the Mental Health Services in writing that the next appointment with the Consultant Psychiatrist will be in 6 months' time in light of the change in my state of mind.

I have therefore proven that I am sane and had a lot of work that required doing which had given me symptoms of paranoid schizophrenia in years gone by and persistent delusional disorder before that. These were all due to the fact that the Constitutional Monarchy were operating the State in secrecy in terms of the institutions engaged in the disposal of my complaints of injustices suffered.

The injustices that I suffered were not seen by the Constitutional Monarchy as anything that it needed to be concerned about as seen from the lack of damages and compensation that I demanded for the way that I was subjected to police brutality, victimisation, religious persecution, trolling-terrorism, obstruction of justice and the deliberate perverting of the course of justice. So be it on this Friday the 20th of September 2024 at 19.05 pm.

I am therefore having understood the mechanisms of the State satisfied that justice has been done. We agree to disagree on how society should be organised. The Constitutional Monarchy is satisfied that I acted properly at all time having submitted my concerns every step of the way to the consideration of the State authorities in trying to fathom the reality of the constitution of the United Kingdom.

I ended my submissions with a clear vision of what I am intending to do next. No response has been received to the LinkedIn private messaging that I sent out between 17.16 pm and now, so I am not charged with any offences to the State of the United Kingdom.

Still I happen to take the view that no news is good news, in terms of my development of TCLP-UK party as a political force in the United Kingdom going forwards.

Silence speaks volumes, and in the unwritten Constitution of the United Kingdom as matters stand, one must read between the lines, in other words be a psychologist. It is the way peaceful progress is maintained and it is my religion of Vishista Advaita that compels me to always maintain a peaceful stance no matter what the problems are that one faces.

Google explains: 'If you say 'The buck stops here' or 'The buck stops with me', you mean that you have to take responsibility for something and will not try to pass the responsibility on to

someone else. [informal] The buck stops with him. He is ultimately responsible for every aspect of the broadcast.'

So the Buck has to stop somewhere in the Constitution of any organisation in terms of responsibilities of the actions undertaken.

Hi Shantanu

Would you be interested in setting up a conversation with a Graduate Bioinformatics Analyst?

Matthew is based in Kent, and is completing his MSc in Molecular Biosciences (Bioinformatics) at the University of Bath in October 2024, where he is predicted to graduate with First-Class Honours.

He previously earned a First-Class Honours in Biomolecular Science from Canterbury Christ Church University (2022). His academic work and projects have focused on bioinformatics, data analysis, and advanced laboratory techniques.

Education

University of Bath – MSc Molecular Biosciences (Bioinformatics) • Predicted First-Class Honours

Canterbury Christ Church University – BSc Biomolecular Science • First Class Honours

Project Highlights

Matthew developed bioinformatics pipelines using Python and Bash scripting to process and analyse Oxford Nanopore long-read data from clinical gut microbiome samples. His work achieved a 90.3% increase in species detection, enabling the identification of unknown organisms. He has also utilised advanced data analysis techniques, including PCA and WGCNA, to interpret RNA-Seq data and uncover key gene modules related to biological traits.

Skills – Python, Bash scripting, Data Analysis, Molecular Dynamics, PCR, Gel Electrophoresis, ELISA.

During his time at Canterbury Christ Church University, Matthew gained experience in computational chemistry simulations to aid drug development for SARS-CoV-2, demonstrating his strong analytical and problem-solving skills.

Matthew is seeking a role where he can leverage his bioinformatics and data analysis expertise, with immediate availability with a salary of £35,000.

I look forward to your feedback.

What are the benefits of completing a dissertation?
in General Discussion

Writing a dissertation is an integral part of many research-centered Master's programs or doctoral-level courses. In order to gain a Ph.D., students must submit a successful dissertation as their culminating project to the university within the given time frame and may require help in doing so. It is very important for students to read the dissertation Help and regulations handed out by the professor and college before beginning to write it.

If you are in need of help with regards to completing your dissertation, it is essential for you to take into consideration that submitting the same on time is an absolute must. Late submissions may lead to disqualification from degree conferral; thus, our dissertation help services are available to assist you in this regard.

For students looking to make a lasting impression on their college academic advisor and stand out from their peers, our dissertation writing services provide the expertise necessary to help them succeed. Our team of highly qualified Professors and Experienced Researchers are committed to guiding you through the entire process and ensuring that your thesis is of the highest quality and meets all requirements.  State-persecutor sends Dr Shantanu Panigrahi a criminal anonymous email
 in General Discussion

For the persecutor who sent me a criminal anonymous email yesterday evening at around 8.30 pm (UK-Time) that I deleted from my Gmail inbox, all mail and Bin folders, I would ask you to try again with better chance of success; for I have succeeded in disposing off the criminal proceedings against me with the linked correspondence: Disposal of criminal proceedings (knowledgeassessmentanddissemination.com)
<https://www.knowledgeassessmentanddissemination.com/post/disposal-of-criminal-proceedings>.

I have no bail currently imposed on me by Kent Police with the disposal of its revived attempt to manipulate proceedings accordingly, and equally, I have no Summons Referral to Medway Magistrates Court outstanding for 10 November 2023, 2 pm Trial Hearing

All future correspondence on this matter should be sent to Olives Solicitors at info@olivessolicitors.com who are my legal representatives in this matter.

Hello

We are a quasi-political group of individuals of which I am the Founder and Leader who has examined the Constitution of the United Kingdom in the finest detail and found it to be governed by a Constitutional Monarchy that is tyrannical and dictatorial. We wish to implement a transition phase known to be Cultural Republicanism through the identified political structures democratically only for which the details can be read here:

<https://www.theconservativelibertariansociety.com/blank/>

<https://www.theconservativelibertariansociety.com/about-1>

I am a confirmed Republican and campaign for United Kingdom to have this form of Cultural Republicanism; if you agree with the changes that we need as citizens of the nation who wish for truth, justice and democracy as the ethos and principles that we should abide by it is recommended that Members who know me as Friends and Connections as well as those posting and visiting the websites of The Conservative Libertarian Society (TCLS) also become its official members by following the directions below:
